**LETTER OF TRANSMITTAL**

December 31, 2013

The Honorable Dannel P. Malloy  
Governor of the State of Connecticut  
State Capitol  
Hartford, Connecticut

Dear Governor Malloy:

I write to provide you with the audited financial statements for Fiscal Year 2013.

The General Fund ended Fiscal Year 2013 with a surplus of \$398,035,312. Of the surplus total, \$220.8 million has been reserved for future fiscal year activity and \$177.2 million will be deposited to the Budget Reserve Fund. This will bring the Budget Reserve Fund balance to \$270.7 million.

General Fund spending in Fiscal Year 2013 was up \$244 million or 1.3 percent over the prior fiscal year. To put this level of growth into historical context, in the four fiscal years leading up to the 2008 recession, average annual General Fund budget growth was 7.3 percent.

A decline in state employee payroll spending in Fiscal Year 2013 contributed to the slower growth. General Fund payroll line-item expenditures in Fiscal Year 2013 were at their lowest level since Fiscal Year 2006. Payroll spending was \$103.1 million or 3.8 percent below the Fiscal Year 2012 level. While this reduction in Fiscal Year 2013 was largely attributable to the absence of a 27<sup>th</sup> payroll, the overall payroll spending trend was down. Favorable interest rates also helped to lower debt service costs. Debt service spending from the General Fund in Fiscal Year 2013 was \$49.9 million or 3.1 percent below the previous fiscal year. The state's largest agency, the Department of Social Services (DSS), posted spending growth of \$113.7 million or 2 percent in Fiscal Year 2013. This is well below the growth of over 7 percent that had occurred in each of the two previous fiscal years. The General Fund contribution to the State Employees Retirement System was up by \$68.9 million or 10.5 percent in Fiscal Year 2013. This accelerated contribution rate will help to lower long-term liabilities in the pension fund. Spending by the Department of Education grew by \$111 million or 4 percent in Fiscal Year 2013.

General Fund revenues advanced 4.5 percent or \$843 million in Fiscal Year 2013. The growth in revenue exceeded the original budget target by \$261 million. The income tax, the largest single revenue source in the General Fund, grew 4.9 percent over last fiscal year and was \$164.9 million in excess of initial budget estimates. The growth was largely driven by strong stock market performance and an increase in the federal capital gains tax rate that pushed future year gains into FY 13. The payroll component of the income tax, which accounts for 60% of total income tax receipts, was down slightly from last fiscal year. The more volatile components of the tax, estimated and final payments, grew 17.9 percent and 12.6 percent respectively.

The Honorable Dannel P. Malloy  
December 31, 2013  
Page 2

The inheritance and estate tax also experienced a significant revenue windfall in Fiscal Year 2013. The tax ended the fiscal year \$273.3 million over initial budget projections. The sales tax continued to post slow growth in Fiscal Year 2013, up 1.7 percent. The sales tax fell \$148.9 million short of the budget target.

The Transportation Fund ended Fiscal Year 2013 with a surplus of \$18,796,914, which brought the year-end accumulated fund balance to \$164,613,372.

I also issue a Comprehensive Annual Financial Report (CAFR) that converts the budgetary based financial reporting to Generally Accepted Accounting Principles (GAAP). From a balance sheet prospective, the GAAP shortfall or unreserved fund balance in the General Fund was \$1.146 billion as of June 30, 2012. This figure will be updated in late January 2014 for Fiscal Year 2013.

**INDEPENDENT AUDITORS' REPORT**

Governor Dannel P. Malloy  
Members of the General Assembly

**Report on the Financial Statements**

We have audited the accompanying combined civil list financial statements of the State of Connecticut as of and for the year ended June 30, 2013, as listed in the Table of Contents of the *Annual Report of the State Comptroller*.

***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

***Auditor's Responsibility***

Our responsibility is to express opinions on these financial statements based on our audit. We did not audit the financial statements of the Special Transportation Fund which represent 13 percent and 16 percent, respectively, of the assets and receipts of the Special Revenue Funds; we did not audit the financial statements of the Transportation Special Tax Obligations Fund, which represent 89 percent and 76 percent, respectively, of the assets and receipts of the Debt Service Funds; and we did not audit the financial statements of the Clean Water Fund-Federal Account, and the Drinking Water Fund-Federal Account, which represent 92 percent and 16 percent, respectively, of the assets and receipts of the Enterprise Funds. Those financial statements were audited by other auditors whose reports thereon have been furnished to us, and our opinion, insofar as it relates to the amounts included for the aforementioned funds and accounts, is based solely on the reports of other auditors.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. In addition, all of the aforementioned audits were conducted in accordance with standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. In making those risk assessments, the auditor considers internal control relevant to the organization's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

As discussed in the note presented on the inside cover of the *Annual Report of the State Comptroller*, the State of Connecticut has prepared these financial statements using accounting practices prescribed by the State Comptroller, which practices differ from accounting principles generally accepted in the United States of America. The effects on the financial statements of the variances between these regulatory accounting practices and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

The financial statements referred to above present only the civil list funds of the State of Connecticut on a budgetary basis and are not intended to present fairly the financial position and results of operations of the State of Connecticut in conformity with accounting principles generally accepted in the United States of America. Management has not presented government-wide financial statements to display the financial position and changes in financial position of its governmental activities, business-type activities, and discretely prepared component units. Management also has not provided notes to the financial statements, a management discussion and analysis, and information on depreciation expense, disclosure of all types of debt and infrastructure assets on the financial statements. All of which has been determined as necessary by accounting principles generally accepted in the United States of America.

**Opinions**

In our opinion, because of the effects of the matters discussed in the preceding paragraphs, the financial statements referred to above do not present fairly the financial position of the State of Connecticut, as of June 30, 2013, or the changes in financial position, or where applicable its cash transactions for the year then ended, in conformity with accounting principles generally accepted in the United States of America,

In our opinion, based on our audit and the reports of other auditors, the financial statements referred to above present fairly, in all material respects, the respective financial position of the combined civil list funds as of June 30, 2013, and the cash transactions of such funds for the year then ended, in conformity with the basis of accounting described in the note presented on the inside cover of the *Annual Report of the State Comptroller*.

Our audit was performed for the purpose of forming an opinion on the combined civil list financial statements of the State of Connecticut taken as a whole. The combining and individual fund and account group financial statements and schedules, included in the *Annual Report of the State Comptroller*, are presented for purposes of additional analysis and are not a required part of the combined civil list financial statements. Such information has been subjected to the auditing procedures applied in the audit of the combined civil list financial statements and, in our opinion, is fairly presented, in all material respects, in relation to the combined civil list financial statements taken as a whole.

We did not audit the data included in the sundry section of the *Annual Report of the State Comptroller* and, accordingly, express no opinion thereon.

**Other Reporting Required by Government Auditing Standards**

In accordance with *Government Auditing Standards*, we will also issue our report dated December 31, 2013, on our consideration of the State of Connecticut's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the results of our audit.

**INDEPENDENT AUDITORS' REPORT  
ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND  
OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN  
ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

Governor Dannel P. Malloy  
Members of the General Assembly

We have audited in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the combined civil list financial statements of the State of Connecticut, as of and for the year ended June 30, 2013 and have issued our report thereon dated December 30, 2013. Our report includes a qualified opinion. Our report includes a reference to other auditors. Other auditors audited the financial statements of the Special Transportation Fund, the Transportation Special Tax Obligations Fund, the Clean Water Fund-Federal Account, and the Drinking Water Fund-Federal Account, as described in our report on the State of Connecticut's civil list financial statements. This report does not include the results of the other auditors' testing of internal control over financial reporting or compliance and other matters that are reported on separately by those auditors.

**Internal Control Over Financial Reporting:**

Management of the State of Connecticut is responsible for establishing and maintaining effective internal control over financial reporting. In planning and performing our audit, we considered the State of Connecticut's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the combined civil list financial statements, but not for the purpose of expressing an opinion on the effectiveness of the State of Connecticut's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the State of Connecticut's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, detect or correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. We consider the failure of the State Comptroller to produce its combined civil list financial statements in compliance with generally accepted accounting principles to be a material weakness in internal control over financial reporting.

Our consideration of internal control over financial reporting was for the limited purpose described in the preceding paragraph and would not necessarily identify all deficiencies in internal control over financial reporting that might be significant deficiencies or material weaknesses and therefore, there can be no assurance that all deficiencies, significant deficiencies, or material weaknesses have been identified.

We have noted other matters involving the internal control over financial reporting that we have reported, or will report, to the State's management in our *Auditors' Report on Internal Control over Financial Reporting and on Compliance and Other Matters, for the Fiscal Year Ended June 30, 2013 – State of Connecticut Comprehensive Annual Financial Report*, and in separately issued departmental audit reports covering the fiscal year ended June 30, 2013. The State's management responses to the findings identified in our audits are not audited by us and, accordingly, we express no opinion on them.

**Compliance and Other Matters:**

As part of obtaining reasonable assurance about whether the State of Connecticut's combined civil list financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

We have noted certain immaterial instances of noncompliance or other matters that we have reported, or will report, to the State's management in separately issued departmental audit reports covering the fiscal year ended June 30, 2013. The State's management responses to the findings identified in our audits are not audited by us and, accordingly, we express no opinion on them.

**Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the State of Connecticut's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the State of Connecticut's internal control and compliance. This report is intended solely for the information and use of the Governor, the State Comptroller, the Appropriations Committee of the General Assembly, and the Legislative Committee on Program Review and Investigations and is not intended to be and should not be used by anyone other than these specified parties. However, this report is a matter of public record and its distribution is not limited.

SCHEDULE E-1a	Combining Statement of Cash Receipts and Disbursements
SCHEDULE E-2	Bonds Outstanding
SCHEDULE E-3	Changes in Bonds Outstanding
SCHEDULE E-4	Bonds Outstanding by Years of Maturity
SCHEDULE E-5	Bond Commission Allocations Available

## Comments:

Capital projects funds are established to account for grants and for bond issue proceeds in accordance with acts passed by the General Assembly which specify the purpose of the issues and limit the amount to be spent. Actual bond retirement is made through the General Fund or the various debt service funds. Bond proceeds which are not required immediately are invested for additional revenue. Funds required before bond issue date are obtained by sale of short term notes.
