**COMPTROLLER LEMBO'S STATEMENT ON U.S. SUPREME
COURT RULING THAT UPHOLDS RIGHT TO ASSIST POOR AND
MIDDLE-CLASS PEOPLE'S ACCESS TO HEALTH CARE**

“As an early proponent of health-care reform, and as the administrator of the state’s health-care plan, I am pleased with the decision of the U.S. Supreme Court.

“Today there are far fewer Americans without health insurance. The benefits of this law and today’s decision should be obvious – eliminating both legal and financial barriers to care.”
