Connecticut General Statutes (CGS) Section 5-164a, CGS Section 5-192v and the collective bargaining agreement between the State and the State Employees Bargaining Agent Coalition effective July 1, 1997 (SEBAC V) address both the temporary and permanent reemployment of retired State Employees Retirement System (SERS) and Alternative Retirement Program (ARP) members.

Pursuant to these statutory provisions, temporarily reemployed SERS Tier I, Tier II, Tier IIA and ARP retirees may work a maximum of 120 days (960 hours) in a calendar year without engaging the pension suspension provisions of SERS; a SERS or ARP retiree reemployed in a state teaching position may work up to 45.97% of a full-time teaching schedule (12 load credits) without engaging the pension suspension provisions of SERS.

Retired SERS or ARP members who are being **permanently reemployed** must complete a Form CO-931, "Designation of Retirement System-Tier-Plan-Beneficiary".

I understand that as a retired member of the State Employees Retirement System or the Alternate Retirement Program my continued receipt of monthly retirement benefits is dependent upon my working 120 days or less or teaching no more than 45.97% of a full-time teaching schedule in a calendar year as a temporarily reemployed retiree. I further understand that I will be subject to the pension suspension provisions of SERS should my employment exceed either of these maximums and may be required to return over paid retirement income to the date of reemployment for that calendar year.
