Please take notice that the portion(s) of the meeting before the Medical Examining Board during which the medical condition, health and/or employment of each applicant is discussed will be held in executive session, unless the applicant requires that the discussion be held at a meeting open to the public. During the executive session portion(s) of the meeting, the Board may invite persons to provide statements in the executive session, but their attendance is limited to only the time necessary for those statements. If an applicant elects to have his/her matter heard at a meeting open to the public, the Medical Examining Board requests that notice of such election be given prior to the commencement of the meeting.
