**COMPTROLLER SEAN SCANLON APPLAUDS PASSAGE OF BILL
STRENGTHENING MYCTSAVINGS**

(HARTFORD, CT) – Comptroller Sean Scanlon today released the following statement upon the Connecticut General Assembly’s passage of [Senate Bill 1221](#): *An Act Making Changes to the Connecticut Retirement Security Program*:

“Over the past three years since MyCTSAVINGS launched, I’ve toured hundreds of small businesses to hear from employers and employees. They’ve taught me a lot about how we can continue to strengthen this program and how much it means to business owners to provide their employees with the opportunity to save for retirement. I am committed to the success of MyCTSAVINGS by enrolling more employers and employees so that all Connecticut workers have the chance to enjoy the dignified retirement they deserve. I am grateful to Speaker Ritter, Majority Leader Rojas, Representative Manny Sanchez, and Senator Julie Kushner for championing this legislation. I look forward to Governor Lamont signing this bill into law and to continuing to grow this program for the benefit of Connecticut residents.”

[Senate Bill 1221](#): *An Act Making Changes to the Connecticut Retirement Security Program* will now be sent to Governor Ned Lamont for his signature to become law.
