2
3 DR. GERSTENFELD: The Medical Examining Board
4 is now called to order. The August 7, 2026, meeting of
5 the Medical Examining Board is now in session. I am Dr.
6 Michael Gerstenfeld, Chairperson.

7 Present are Dr. Ralph Rosenberg and Dr. Sheldon
8 Nova. Present from the Office of the State Comptroller,
9 Retirement Services Division, staff members of the
10 Retirement Services Division, Robert Helfand, Alexandra
11 Cipolla and Patrick Fairbanks.

12 Also present is the General Counsel for the
13 Retirement Commission and Medical Examining Board, Robin
14 Kallor.

15 As there is no Medical Examining Board motion
16 to amend the agenda, I move now that we go into executive
17 session. So I make a motion to go into executive
18 session. Is there a second?

19 DR. NOVA: Sheldon Nova, second.

20 DR. GERSTENFELD: I also request that members
21 of the Retirement Services Division and Counsel be
22 allowed to remain.

23 As a courtesy, a member may be present in front
24 of the MEB to make a brief statement. The MEB may ask
25 the member questions. Members are called in

1 individually. So, I make a motion -- okay -- so, I now
2 make a motion to go into executive session.

3 DR. NOVA: Sheldon Nova, second.

4 DR. GERSTENFELD: Thank you.

5 BERT HELFAND: So, for members of the public
6 and for applicants who are present, this means that
7 you'll all be placed in the waiting room while the
8 doctors discuss each individual application in what's
9 known as executive session.

10 In order to preserve the confidentiality of the
11 medical information that they'll be discussing, some of
12 you might be invited into that executive session
13 individually to discuss your individual cases. This
14 process can take up to a few hours, but at the conclusion
15 of the doctors' deliberations, they'll resume public
16 session. You'll be able to hear what's happening at that
17 time. And at that time, the doctors will vote on each
18 application, although they won't provide an explanation
19 for their votes.

20 So, as I said, this can take a few hours, but
21 the meeting will be conducted and at the end of that
22 executive session there will be another public session
23 before we conclude.

24 ROBIN KALLOR: And I know we did a motion and a
25 second, but it hasn't been voted on yet. So, just before

1 we go into executive session, the members should vote.

2 DR. GERSTENFELD: Gerstenfeld, aye.

3 DR. NOVA: Nova, aye.

4 DR. ROSENBERG: Rosenberg, aye.

5 ROBIN KALLOR: Motion passes.

6

7 (Executive Session from 9:03 a.m. to 1:28 p.m.)

8

9 ROBIN KALLOR: If everyone could please mute
10 themselves so that the meeting can proceed.

11 DR. GERSTENFELD: The Board will be making
12 determinations and voting on those determinations, but
13 would like to remind members that only the final vote
14 will be given today and not the reasons for the vote.

15 In some instances, there may not have been
16 enough medical information to make a determination, or
17 perhaps a non service connected disability is more likely
18 a service connected disability. You may seek
19 reconsideration of an initial denial.

20 You will receive the Board's written
21 determination within two to four weeks which will provide
22 you with that additional information. The Board will now
23 vote on individual member entitlement to disability
24 benefits.

25 I make a motion to deny the application to

1 reclassify the retirement disability from a non service
2 connected to a service connected disability for Brenda
3 Baerga.
