* The CHFA Time to Own (TTO) Program provides eligible first-time homebuyers with a forgivable, 0% interest, deferred, non-amortizing loan of up to $25,000 to assist with down payment and closing costs for the purchase of a home in Connecticut. The loan is forgiven at a rate of 10% per year. Applicants must meet all applicable CHFA requirements for its Make it Yours Program, including income and sales price limits.

The First Responders TTO Program offers additional flexibility for eligible first responders by waiving the Connecticut residency requirement and minimum housing-to-income ratio requirement applicable to the standard TTO Program. Eligibility is based on CHFA maximum income limits rather than Area Median Income (AMI) limits, allowing qualified first responders to receive up to $25,000 in assistance, subject to applicable program requirements.
